

Spring Cleaning Portland

Oregon Green Clean provides house cleaning services using eco-friendly products - safer for your children, pets & the environment!

Natural cleaners & essential oils will leave your home sanitized and smelling fresh!

Oregon Green Clean will send a team of one or two experienced house cleaners to your home. We provide Regular Cleaning Services as well as Move-Out Cleanings and Spring Cleaning. We are insured, bonded & accredited by the Better Business Bureau.

Benefits of Using Green Products

- Would you like to keep your home clean and sanitized without using harsh chemicals?
- Did you know there are natural alternatives that are safer for your children, pets, and the environment?
- We use "eco-friendly" products which are biodegradable and contain plant-derived enzymes and essential oils.
- These non-toxic ingredients are antibacterial, antifungal and antiviral, while acting as natural degreasers and cleaning agents.
- Imagine replacing the odors of bleach and ammonia with fresh citrus and floral scents!
- Please ask in advance if you would like us to use a non-scented product.
- Of course, we also use plenty of "elbow grease", a renewable resource :)
